

The Amazing Race!

Project Guidelines:

1. Your team must depart OKC airport on June 1, 2007, and travel to twelve (12) different cities on six (6) different continents within 45 days.
2. Your team must stay at least one night in a hotel in each city before traveling to the next city.
3. The team who finishes the race in the shortest number of days wins the race.
4. Your team must finish the race to earn the full points for the assignment.
5. Each team member must submit his/her own log book and budget report.
