

Cell Phone Company Rates

TALK-A-LOT: \$15 per month plus \$.10 per text message sent.

Celebrity Cell: \$35 per month (unlimited text and calling)

If Jessica makes 80 calls per month and sends/receives 240 text messages, which company should she choose? Justify your answer with tables, equations and graphs.

BONUS: At what point (how many text messages) will both companies have the same cost?
